Dear Member:

The following letter from FCC Chairman John Lawrence Fly, I believe, is self-explanatory:

"Permit me to acknowledge the receipt of your....in which you ask the Commission to consider a simpler form of annual report for non-commercial, municipal, and educational radio stations, than the one designed for all classes of stations.

"The Commission will be glad to consider a simpler form of report for licensees operating non-commercial, municipal, and educational radio stations, and would like to have the benefit of your views as to the form and the matters to be reported upon. In the meantime, we will also give consideration to the subject."

Do you have any suggestions? If so, please rush them to me.

Cordially yours,

Frank E. Schooley
